JUSTICE & DISPARITIES

Tuesday, October 10, 2017 • 8:00 AM – 4:30 PM

• FFA Enrichment Center • 1055 SW Prairie Trail Parkway • Ankeny, Iowa 50023

Join State Decision Makers, National Experts, Law Enforcement & Community Advocates Who Will Address Minority Disproportionality In The Criminal Justice System

IN A FEW SHORT YEARS, THIS SUMMIT HAS BEEN RESPONSIBLE FOR:

- Creating awareness around Iowa's criminal justice disparities and advocating for strategies to improve them
- Negotiating the appointment of the Governor's Criminal Justice Reform Working Group (GCJRWG)
- Through the GCJRWG, leading the way for the successful passing of several justice reform laws

For over a decade, Iowa has ranked at the top in the nation for the number of African Americans per capita in the criminal justice system. Other minority groups are also critically over-represented.
